

Lessons

Week 8-22-22

Grade

5: We are going to start a lesson on color We will make a butterfly together and then students will make some on their own. The next week we will learn more about color schemes, that they can use to paint their butterfly.

4: We will continue work with an “Element of art” the line, more specifically curvy lines. We will draw some circles and draw curved lines around the circles as stripes. Students will have a challenge making the stripes even and not having any of the lines touch. This week we will learn how to thin watercolor paints to do a wash on top of the lines that we will go back and color with colored pencils.

3: We will start work with lines drawing it as stripes and then have it looping, weaving, and crisscrossing your paper it is a significant challenge. This is the focus of our work this week.

2: This week we will start drawing shapes. The students are going to draw overlapping shapes and color them solid making a silhouette. This is an introduction to silhouettes leading up to a more challenging silhouette project.

1: We will draw a flower with a butterfly on it. We will talk about symmetry, how the butterfly is the same on both sides.

Kg: We will finish our draw 3 birds with crayons. We will paint the birds with watercolor paint.

5: VA:Cr1.1.5a Combine ideas to generate an innovative idea for art-making

4: VA:Cr1.1.4a multiple approaches to a creative art or design problem

3: VA:Cr1.1.3a Elaborate on an imaginative idea

2: VA:Cr1.1.2a multiple approaches to an art or design problem.

1: VA:Cr2.1.1a Use materials to make work of art

Kg: VA:Cr2.1.Ka Build skills in media
