

Lessons

Week 8-29-22

Grade

5: We are going to continue a lesson on color We will make a butterfly together and then students will make some on their own. The next week we will learn more about color schemes, that they can use to paint their butterfly.

4: We will finish work with an “Element of art” the line, more specifically curvy lines. We will draw some circles and draw curved lines around the circles as stripes. Students will have a challenge making the stripes even and not having any of the lines touch. This week we will learn how to thin watercolor paints to do a wash on top of the lines that we will go back and color with colored pencils.

3: We will finish work with lines drawing it as stripes and then have it looping, weaving, and crisscrossing your paper it is a significant challenge. This is the focus of our work this week.

2: This week we will start to finally make a picture of a landscape silhouette.

1: We will finish our draw 3 birds with crayons. We will paint the birds with watercolor paint.

Kg: We will draw a cruise ship one step at a time. Students are still gaining confidence and learning to follow along.
